

## ***Bike Shop Is Purchased***

Shepherd's Bike Shop at 524 W. State St. has been purchased by Ralph Button. The name will remain the same.

The former owner, Wallace Payne of Lansing, has retired because of illness. Payne's father-in-law was the original Mr. Shepherd who started the business in 1941.

Button, a long-time resident of Ithaca, has been repairing bicycles for many years. He will supervise the shop, which will be operated by his wife and son. Button is a computer analyst at Ithaca College.

The Buttons live at 457 Hayts Rd.
